Weed Awareness Program
Juab County

DATE: Saturday, May 14, 2016  TIME: 10:00 am – 12:00 pm  COST: Free
LOCATION: Fire Station, Eureka, Utah

The Weed Awareness program is to inform the public of problematic noxious weeds and provide herbicide to individuals who would like to spray their property. Weed control information and one bottle of concentrated broadleaf herbicide will be provided to households in Juab County at no cost. Those participating must be 18 or older. Limit: one bottle (one pint) per household.

In addition to using herbicides, residents are encouraged to use other weed control methods including mechanical, cultural, and biological.

For more information about this program or weed management, contact the Juab County Weed Department at 681-0428 or USU Extension at 623-3450.

Sponsored by Juab County,
Juab County Weed Department,
Nephi City, Eureka City, and
USU Extension.

SENIORS IN APRIL

On April 20, The Young At Heart Seniors met at the LDS Cultural Hall. President Grace Conder welcomed us, including our returned “snow birds” Fawn Fife, Lois Ann Barney, and Linda Hope.

We pledged allegiance to the Flag and Marla Coons led us in “God Bless America.” “Happy Birthday” was sung to Linda Hope and Lloyd Conder.

On the sick list was Joanne Favatella, Dick Hallsey, Joan Morris, and Sherlin Grill.

On March 13, Marla drove the van to Payson for our shoppers; lunch at Costa Vida.

Announcements were: On the 18th of March, Grace Conder and Anna Gillespie went to the Six County Seniors meeting. April 22 will be Bingo Night at the ELKS club. For the first two weeks in May, the Conders’ will be in Scottsdale, Arizona. May 21st will be the Health Fair at the Medical Clinic in Nephi. Marla will drive11 the van.

Time to eat! Serena asked the Lord’s Blessing on the food and we Eurekans. Then we enjoyed our usual smorgasbord (potluck). We left with smiles on our faces about Forrest Gump and the test he Aced to enter the “Pearly white gates.”
2016 BURNING WINDOW SET

Burning Permits must be applied for online at the Utah Division of Air Quality Website at: http://www.deq.utah.gov/airapp/OpenBurning/index.htm at least 3 days in advance of the anticipated burn.

After the burn permit application is completed and submitted, a copy is sent electronically to the county or municipal fire authority having jurisdiction in the area where the burning will take place. The applicable county or municipal fire authority is the permit issuing authority and no burning is allowed without an approved burn permit.

If completing the burn permit application online is not an option, a hard copy of the application may be completed and submitted by mail to the DAQ for electronic processing. To request a hard copy of the burn permit application, contact the DAQ by phone at (801) 536-4000. Please note: it may take up to 14 days from the date of request to receive a burn permit if a hard copy is submitted for processing.

All burning is subject to the conditions of the approved burn permit and the following laws and requirements:

The following conditions shall be met for all approved burning permits:

1. Approved burning allows residents to burn only clippings, bushes, plants, grass, leaves, limbs and other prunings. State Law (R307-202) prohibits burning of household waste, construction and demolition waste, milled lumber of any kind, cardboard, trash, cloth, rubbish, tires, plastics, chemicals or liquid fuels and petroleum products. Petroleum products may not be used to start fires.

2. Materials to be burned must be thoroughly dry.

State Law (R307-202-7(10)(ii) requires the Utah Clearing Index be verified which must be above 500 when burning. The Clearing Index can be obtained by telephone at: 1-801-524-5133 or via the Internet at: http://www.wrh.noaa.gov/slc/projects/ifp/html/webSMF_new.php

3. State Law (65A-8-9) requires that you notify your city police department (if they have a dispatch service) or the Sheriff’s dispatch at: 435-623-1349 prior to any burning and inform them of your intent to burn. Failure to notify of the burning is a class B misdemeanor and you may be liable for Fire response costs. Notification is required for all agricultural burns.

4. Burning shall not be conducted within 50 feet of any structure or combustible material.

5. All flammable vegetation shall be cleared within a 10-foot radius of fire.

6. Persons burning shall have a garden hose available and connected to a water supply or approved fire extinguishing equipment shall be available during the burning.

7. Burning material shall be constantly attended by a responsible adult until the fire has been extinguished.

8. There shall be no burning at night.

When authorized to burn, please be considerate of your neighbors. Be aware of smoke drifting towards and into your neighbors’ homes. If the Fire Department is asked to respond, and if it is determined that the fire is a nuisance, the Fire Department will extinguish the fire.

The burning permit does not relieve an individual from personal liability due to neglect or incompetence. Any person burning has a responsibility to establish adequate fire breaks and to take whatever other measures are necessary to insure that the fire is properly controlled. If the fire spreads to another person’s property, the person starting the fire shall be responsible for payment of the costs of the suppression action and may also be liable for damages to the other person’s property.

The period from: June 1st through October 31st annually is designated as a closed Fire Season by the State of Utah. Written Burn permits are required during the ”ANNUAL CLOSED FIRE SEASON” and will be issued only in very limited circumstances such as when considered necessary and safe to mitigate fire threat and risk to life and/or property.

If you have any questions, please call your local Fire Chief or the County Fire Warden at: 435-681-0035. ING WINDOW SET
