# EUREKA CITY BILL PAY OPTIONS

Eureka City has partnered with XPress Bill Pay to give our customers more options when paying their City Utility Bill. If you haven't already signed up, you can read below on how it works. You can set up Auto Pay or Paperless Billing using XPress Bill Pay or you can stop in or call the City Office during regular hours and we can help set it up for you if you are interested. You can still mail in your payment, drop it in the payment drop box outside the City Hall or come in and see us.

## ANNOUNCING THE EASIEST WAY TO PAY YOUR BILL

Our new online bill pay option saves you time and gives you more flexibility in how you pay your bill.

If you have an Internet connection and an email address, you can now pay your bill online. You are also able to "opt in" to paperless billing and receive an email notification when your bill is ready to view. It's fast, it's easy, and you no longer have to write a check each month or find a stamp when it's time to send in your payment.

### HOW IT WORKS

We have partnered with Xpress Bill Pay, the premier provider for online bill payment.

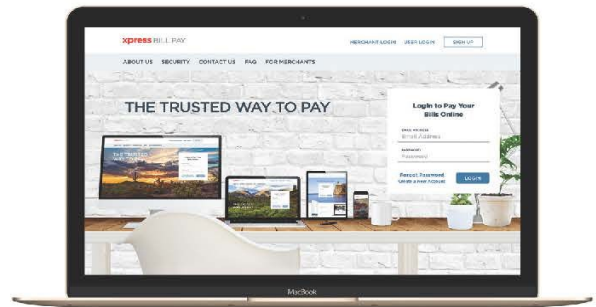

When you sign up for online bill payment you'll create a secure password that you use to access your personal account at [www.xpressbillpay.com](http://www.xpressbillpay.com). Every month we'll send you a reminder email to let you know when your bill is online.

Then, just log in through your Web browser or the Xpress Bill Pay Mobile App and view your bill. Select a payment type — credit card, debit card, or electronic funds transfer — enter the information, and you're done! It's that easy, and it only takes you a few minutes each month.

We're offering this service at the request of customers like you. Sign up today to see why so many people consider this method as the best way to pay their bills.

### ONLINE BILL PAYMENT FACTS

- To sign up for online bill payment, go to [www.xpressbillpay.com](http://www.xpressbillpay.com)
- You can pay your bills with a credit or debit card, or you can transfer funds directly from your checking account.
- You can pay your bill from anywhere. Customers outside the U.S. can contact our Payment Center anytime to make a payment or to set up an Auto Pay.
- After you complete the transaction, you can receive an email receipt to confirm the payment went through.
- You can view up to a year's history of your account online, so you can compare your current bill to a year ago.
- If you'd like, you can select the Auto Pay option and your bill will be paid automatically each month.

### WHAT TO DO NEXT

1. Go to [www.xpressbillpay.com](http://www.xpressbillpay.com)
2. Click on the "Sign Up" button on the top of the home screen. Fill in the email and password fields, then click in the "I'm not a robot" box and follow the prompts.
3. Complete the short registration form and click "Next."
4. Go to your inbox and open the verification email then click "Verify Email". Then select "Continue" to log in.
5. Select your billing organization and follow the prompts for linking your bill.
6. Once your bill is added to your account, you can add another bill, view and pay your bill online, or setup a recurring auto payment schedule.

### AND THERE'S MORE!

Although we encourage creating an account to get the most out of this new service, Xpress Bill Pay does offer Guest Checkout for those that are not yet wanting to set up an account.
